

Madera G.P. Steering Committee

1-26-09

Idea – “ Universal Design” – Recently adopted by the cities of Fresno (10/08), Berkeley, Murrieta, San Francisco.

Idea – Retrofit program for disabled, elderly – let them continue to live in their home – fund w/CDBG, etc.

Question – Coordinate w/ school District on Joint use;

Question – What is being done to meet unmet park needs?

(1.5 acre park on Sunset out to bid)

(L.U. acquisition policy being developed)

Question – I.P.M. (Integrated Pest Management) Programs?

Issue – Need to be aggressive – Takes \$ to build & maintain small parks. New parks need long term maintenance.

– Be specific about how to build & maintain parks.

Idea – Share costs w/ school district for parks, pools, etc.

Question – BMX, Motocross – is an OHV Park in the M.P.? In a future Regional Park?
