

AGENDA
City of Madera
General Plan Update Steering Committee
6-30-08

- I. Introduction/Agenda for Tonight's Meeting
- II. Recap of the May Steering Committee Meeting
- III. Conservation Policies – Review of recommended policies related to energy, agriculture, etc.

Audience Participation: Audience members can provide feedback on the proposed policies either at this meeting or later via letter or email.

Handout:
Draft Conservation Policies

- IV. Updated Circulation Map – An updated Circulation Map will be presented. The map to be presented at the meeting includes updates and refinements from the previous version.

Audience Participation: Audience members can provide feedback on the proposed Circulation Map either at this meeting or later via letter or email.

Handout:
Updated Draft Circulation Map

- V. Review of Suggested Changes to the Draft Land Use Map – Suggested changes to the Draft Land Use Map of May 29, 2008, will be reviewed. The Steering Committee will be asked to confirm staff's recommendations regarding those suggestions which should be included in the Draft General Plan at this time.

Audience Participation: An opportunity will be provided for persons representing the suggested changes to make a brief presentation to the Steering Committee. Members of the public can also provide their input. Public input on this topic will also be available in July at a City Council meeting.

Handouts:
Draft Land Use Map showing proposed changes
Matrix listing of proposed changes with staff recommendation
Maps of individual changes
Materials submitted for each change
Materials submitted in opposition
Memorandum on Land Use Considerations
Regional Mall market study, provided as an example

Next Steps:

- July Steering Committee: Health and Safety, Parks and Recreation
- July: City Council review of Detailed Land Use Map
- August Steering Committee: Community Character and Design/Health and Safety/Conservation
