

AGENDA
City of Madera
General Plan Update Steering Committee
12-29-08

- I. Introduction/Agenda for Tonight's Meeting
- II. Noise Element Overview—Brief presentation on the Noise Element and key noise-related policies.

Audience Participation: Audience members can provide feedback on the proposed policies either at this meeting or later via letter or email.

Handout:
Draft Noise Element

- III. Historic and Cultural Resources Element Overview—Brief presentation on the Historic and Cultural Resources Element and key policies. (Note: This is a new chapter of the General Plan, previously included in the Noise and Character Element.)

Audience Participation: Audience members can provide feedback on the proposed policies either at this meeting or later via letter or email.

Handout:
Draft Historic and Cultural Resources Element

- III. Sustainability Element—Brief presentation on the Sustainability Element and key policies. (Note: The Steering Committee has previously reviewed key Sustainability policies; tonight's presentation is an overview of the entire Element.)

Audience Participation: Audience members can provide feedback on the proposed policies either at this meeting or later via letter or email.

Handout:
Draft Sustainability Element

Next Steps:

- January 26, 2009—Steering Committee meeting to review the Housing Element and Parks & Recreation Element
